HIPAA PRIVACY PRACTICES ACKNOWLEDGMENT

By signing below, I acknowledge that I have been provided a copy of the Donald R. Welsh, Jr. D.M.D. and Samantha King, D.M.D. Notice of Privacy Practices and have therefore been advised of how health information about me may be used and disclosed by the medical group listed at the beginning of this Notice, and how I may obtain access to and control of this information.

By signing below, I also consent to the use and disclosure of my health information to treat me and arrange for my dental care, to seek and receive payment for services given to me, and for the business operations of the dental practice, its staff, and its business associates.

E-MAIL CONSENT

For your convenience, we offer patients the opportunity to correspond directly with us via e-mail as long as you provide your consent recognizing that e-mail is not a secure form of communication. There is some risk that health information contained in such e-mail may be misdirected, disclosed to or intercepted by unauthorized third parties.

I consent and accept this risk of e-mail communication between the provider and myself. Further, I understand that my provider will use reasonable means to protect the security and confidentiality of said e-mails, but cannot be held liable for improper disclosure of information not caused by intentional misconduct.

OFFICE POLICY REGARDING BROKEN APPOINTMENTS

We make every effort to keep all patients informed of upcoming appointment dates and times. A reminder card is sent to patients for their recall (cleaning and exam) and a courtesy confirmation phone call is made two days prior to all appointments. When a patient fails an appointment or calls at the time of a scheduled appointment to cancel, that time is lost and it is impossible to fill that slot. Because our time is just as valuable as yours is, any cancellations must be made at least 24 hours in advance or a minimum charge of $50.00 may be assessed.
